

Club Run Sunday 25/06/23

Nine vehicles of various ages left Maccas for a nice cruise around the bottom of the lake Robert & Janice were leading and thankyou.

Our picnic spot was chosen beside the channel at Pelican with plenty of room and we all parked together. I wish someone had reminded me to take a picture. We settled in as BBQs and picnic goodies appeared.

I enjoyed my Bachelors picnic after a quick trip to the local Fish & Chippery, Gregs steak was looking good, all we needed was some well-cooked onions too and their special smell would have made us all jealous.

The winter breeze was becoming a nuisance and so by 2.00pm or a bit later we had packed up and moved on. It was good to catch up with everybody.  
See you all at the AGM.

Attended on the day were Rob & Janice, Peter & Carol, Brian & Illy, Greg & Christine, Ray & wife, Paul & Sunny, Danny & Dianne, Mel & Peggy & Myself.

Paul Schofield.
