

Christmas Run – Doyalson RSL

Meeting at Macca's Morisset at 11.00 were the faithful to participate in a drive to Doyalson RSL Club for a Christmas Lunch. This year due to CoVid, we were unable to have the proposed noshup at Peter and Carols Martinsville property so our club was picking up the bill for lunch for the members.

On the run were Brian & Illy, Janet & Jeff, Richard & Maxine, Ray & Helen and Family, Peter & Carol, Janis & Rob, Mark & Sharon, Ross, Paul, Greg & Karen, John & Cherin and Mel & Peggy.

Whilst it was only a short drive we managed to get some horn blasting and happy waves from some pedestrians along the way and that puts a smile on your face.

The venue is a really nice club and allowed us to run a little raffle for our members, a couple of "happy in a bottle" and some trinkets.

Lunch was really good and some even had deserts, not me though, my body being a temple and all.

So all in all, it was a good run everybody setting themselves for the upcoming Christmas period with great anticipation. I know I am, I'm sure Santa will be visiting ...

That's it,

See you on the next run

Brian
